

Safety Program and OSHA Compliance Letter

DEMO DOCUMENT - NOT VALID FOR COMMERCIAL OR LEGAL USE

Skyline Steel LLC maintains an active safety program for concrete operations and requires employees to follow applicable workplace safety procedures. This letter does not represent a government certification.

Program Summary

- Employees receive new-hire safety orientation and task-specific training.
- Incident records are reviewed by the safety contact for corrective action.
- Concrete crews follow silica, excavation, fall protection and PPE controls.
- Safety meetings are documented for demonstration testing.
